## News Release

### Free HIV Testing

(Farmington, Utah) – In observance of National HIV Testing Day (June 27), the Davis

County Health Department offers free HIV testing during the week of June 26-30, 2006.

Testing will be done by appointment at the Farmington Clinic – 50 East State Street, Annex

Building – however, some walk-ins may be accommodated.

Registered Nurses will provide testing and counseling.

According to Davis County Health Department's director, Lewis Garrett, the Centers For Disease Control and Prevention reports that more than one million Americans are living with HIV. "I encourage people at risk for HIV infection to get tested," he said. "Be responsible and take an active role in your personal health."
